STEPS TO REGISTER FOR THE OBRA DATABASE

1) Have your CMH Coordinator Send an email with the new user's (Assessor) Name, email address, and credentials

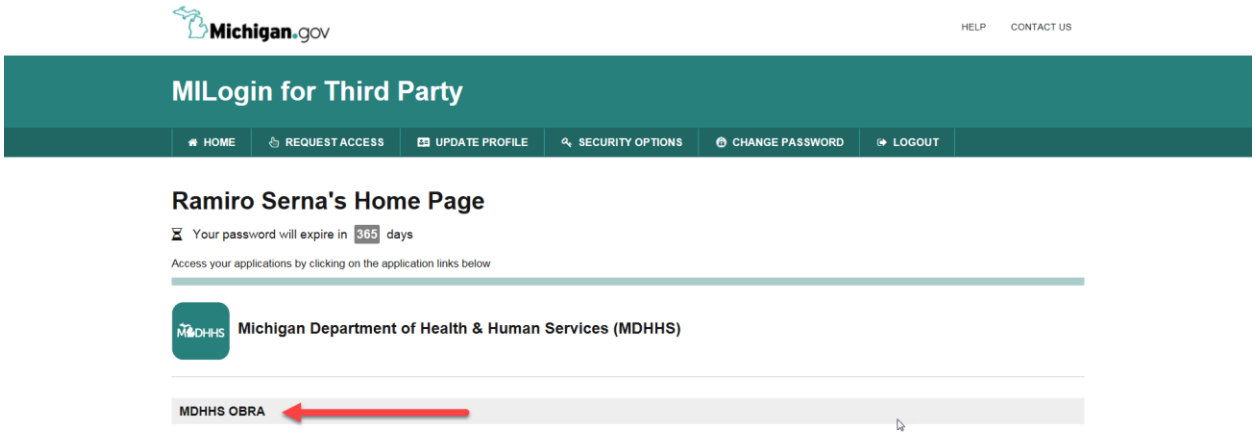

2) Create a User Name and Password for MILogin at https://milogintp.michigan.gov

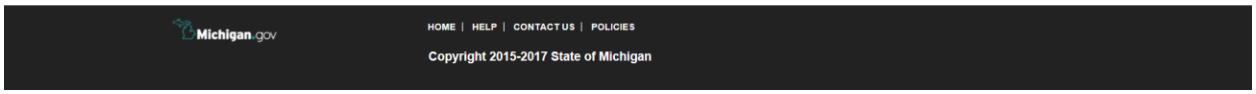

3) After Login, Request access for the **MDHHS OBRA** Application within the MILogin site

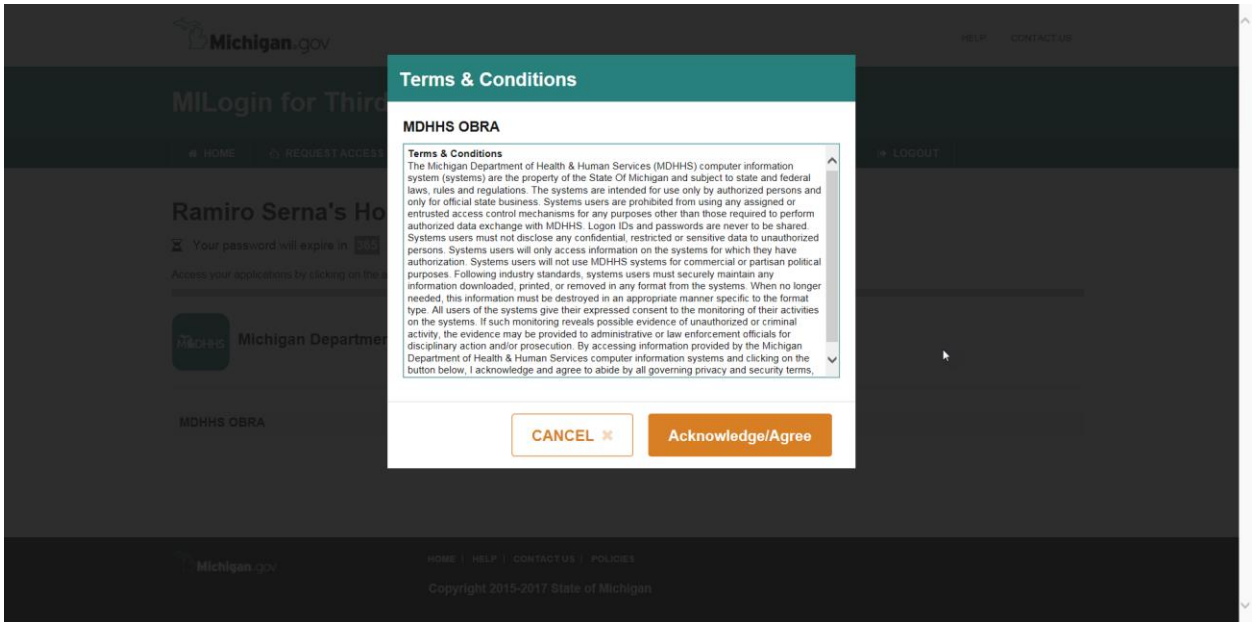

4) Once you request access for MDHHS OBRA, go back to the MILogin Home screen and click on the OBRA Link.

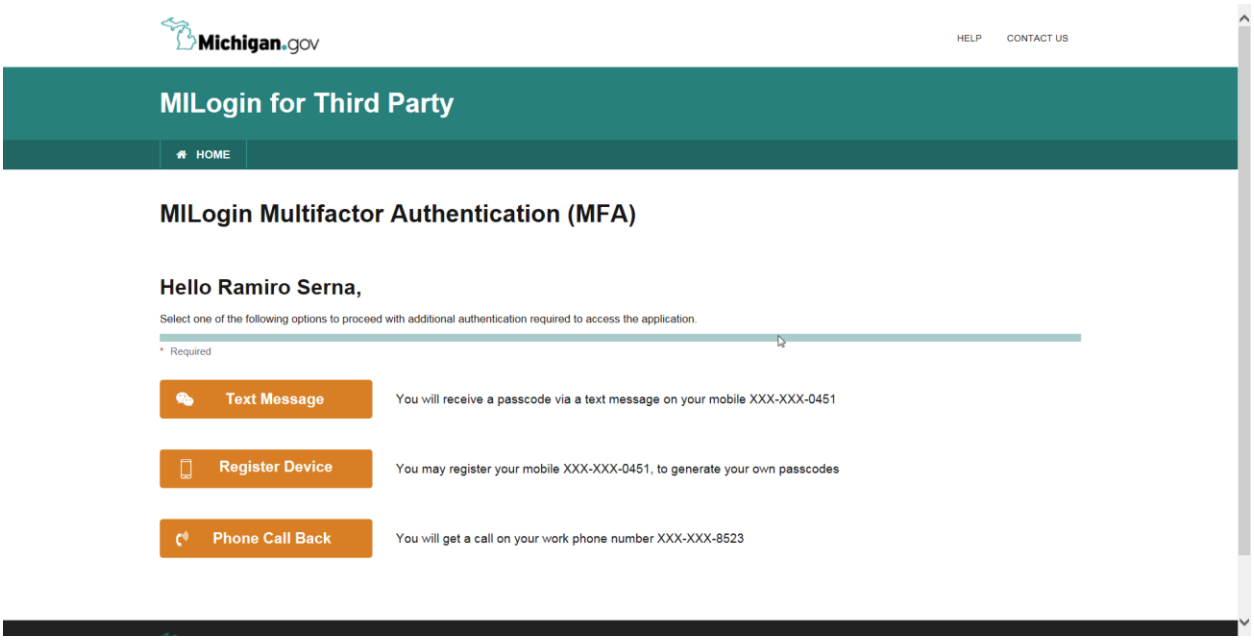

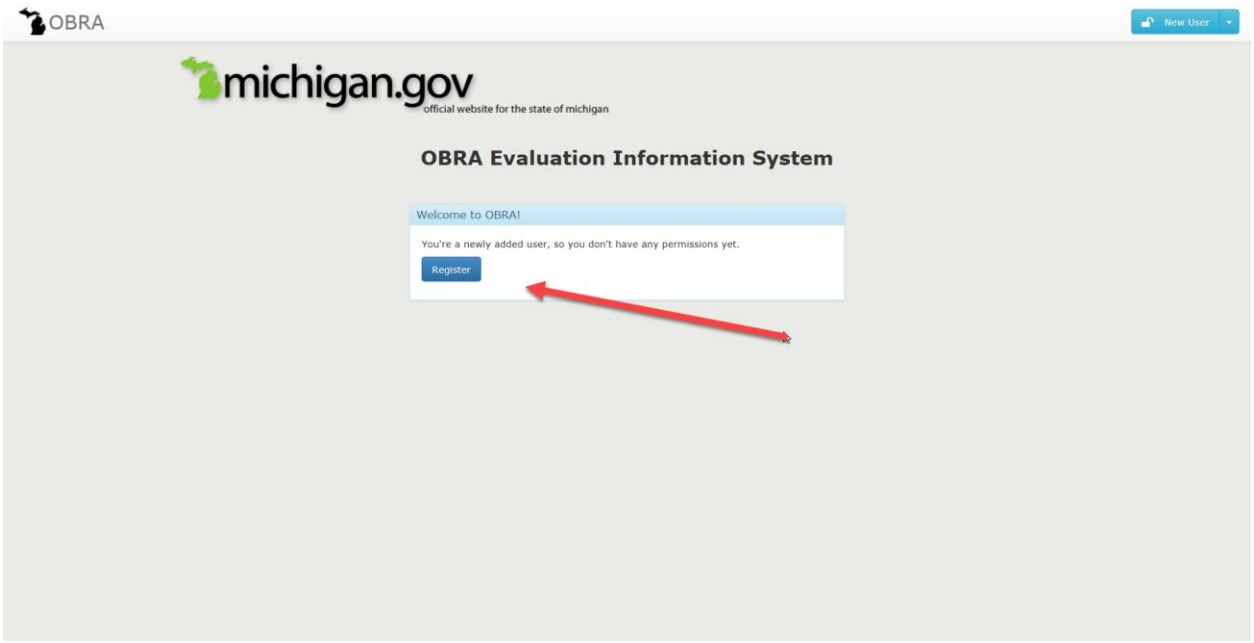

5) Agree to Terms and Conditions

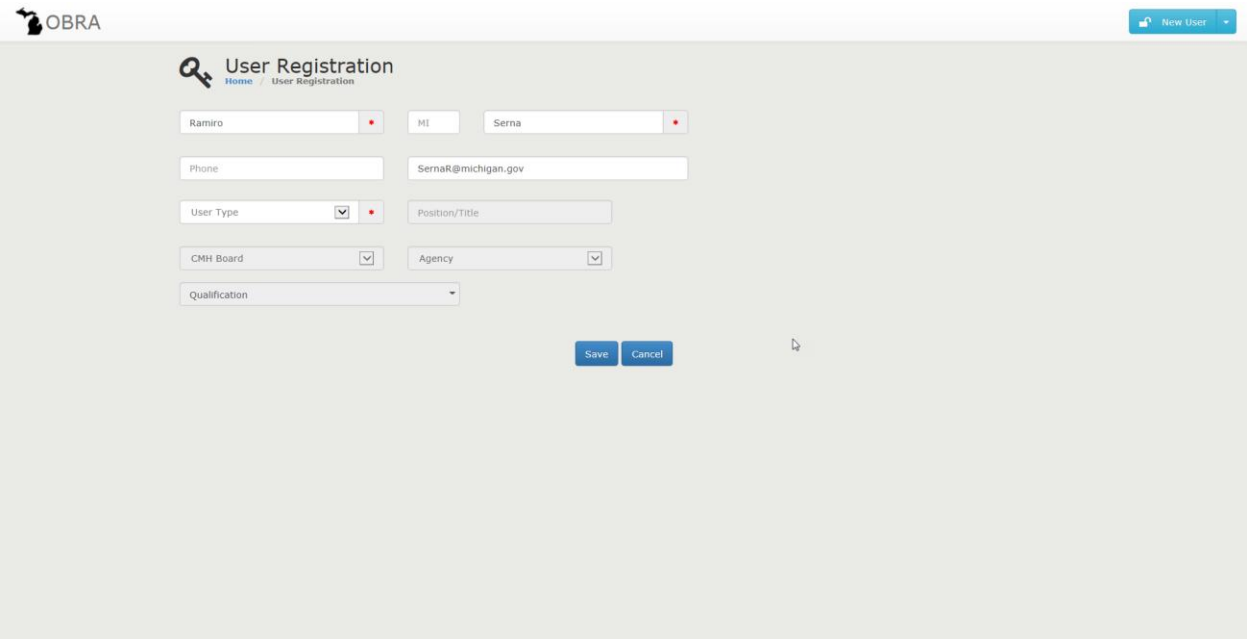

6) Select Option for MFA, this is required every 24 Hours or every time you switch browsers.

7) Click on the Register button to finalized the Registration Process

8) On the User Registration, fill in all Required Fields, For Assessors select the User Type **Qualified Professional**, Coordinators select User Type **CMH/Qualified Professional** and CMH Clerks select **CMH.**

Once completed, hit the save button and this will bring your request to our queue and we will be able to accept your request afterwards.
